Madam, Sir,

Please find enclosed the conclusions related to the verification of your products as suitable for organic farming according to EC Regulation and NOP standard.

You will find all your allowed products on our web site, [http://ap.ecocert.com/liste\\_intrant/](http://ap.ecocert.com/liste_intrant/).

The mention you have to use on your labels and invoices is

**'Product suitable in organic farming according to RCE n° 834/2007 and NOP standard'.**

Warning: according to the contract for input verification, no Ecocert reference is allowed to be used neither on the labels nor on any communication document.

However, the apparition of your products on the ECOCERT web site is a guarantee of compliance for the customer. A printed page of the site can be provided to the certification body, which will be considered as a sufficient proof if the invoice guarantee is enclosed.

We are at your disposal for any further information.

Best regards,

**PETIT AUDE**

*Inputs certification officer*

**NB :**

**Labels making reference to the previous regulation 2092/91 will be able to be used until run out of stocks**
